Luas Park and Ride – All Day Parking €4

Did you know that you can park at any one of Luas's Park and Ride car parks for just €4 all day and only €2 for up to 4 hours? The recent opening of the Cheeverstown Park and Ride, just off the N7 near Saggart brings the total number of Park and Ride spaces to over 2,500. This number will be increased later this year when the new Carrickmines Park and Ride will add another 350 spaces, with 13 spaces for the mobility impaired to the Luas Park and Ride network.

Convenient to the Red and Green Lines, Park and Ride facilities can be found at Balally (426 spaces), Stillorgan (313 spaces), Stillorgan Beacon South Quarter (300 spaces) and Sandyford (45 spaces) on the Green Line. On the Red Line parking is available at Red Cow (720 spaces), Tallaght Cross West (450 spaces) and at the newly opened Park and Ride facility at Cheeverstown (312 spaces). All Park and Ride facilities are priced the same.

Access into Dublin City is easy from Park and Rides as all facilities are located adjacent to Luas stops. To find out which one is nearest to you see <http://www.luas.ie/park-and-ride/> for maps and information.
