Luas Line B1, the "Cherrywood Extension" is a 7.5km extension of the Luas Green Line which at present operates between Sandyford and St. Stephen's Green. To facilitate essential Luas bridge works, one-night closures of the M50 Southbound and Northbound will be required this weekend; weather conditions permitting.

Southbound Closure:

From 8pm on Friday 28/03/08 to 11am on Saturday 29/03/08 the M50 Southbound will be closed from Junction 14 (Leopardstown) to Junction 17 (Shankill). Please follow the diversion signs provided.

Northbound Closure:

From 8pm on Saturday 29/03/08 to 11am on Sunday 30/03/08 the M50 Northbound will be closed from Junction 17 (Shankill) to Junction 14 (Leopardstown). Please follow the diversion signs provided.

Luas Line B1 will double the length of the existing Green Line and is scheduled for completion in 2010.

Luas Line B1 is an important element of Transport 21, the Government's multi-billion euro transport plan.

The RPA apologises for any inconvenience caused during these essential works and is seeking to keep disruption to a minimum.

Ends.
