Re: Luas Line F Public Consultation

Dear Resident,

Thank you for taking the time to contact us in relation to the choosing of a route for Luas Line F.

The submission date for public consultation for Luas Line F has passed and we have received in the order of 2,300 submissions.

We are working our way through the submissions and are trying to establish as much consensus as possible. In parallel with this process we are also finalising our full project appraisal which we hope to have completed by end March/early April. We expect to have a clearer position at that stage of what is the best option over the wide set of criteria. We hope to be in a position to announce the emerging preferred route later in the year.

Yours sincerely,

Tom Manning
