An Bord Pleanála

Re: Construction, Operation and Maintenance of a light railway system,
Belinstown, North County Dublin to St. Stephen's Green.

Dear Madam,

I have been asked by An Bord Pleanála to refer to the above mentioned case.

Please be advised that the Board has formally adjourned the oral hearing in respect of this case as of Wednesday the 29th of April, 2009. The decision to adjourn the hearing has been taken having regard to the nature and extent of the information received from the applicant during the course of the oral hearing to date. The information received is considered to be both material and substantive and it is considered that an adjournment is necessary to allow the Inspector and consultants a period of time to assimilate this information. Furthermore, it is considered that other parties to the application should be allowed an opportunity to review the information that has been received.

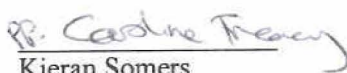

The information received by the Board is available for public inspection by appointment at the offices of Dublin City Council, Fingal County Council and the offices of An Bord Pleanála for the duration of the adjournment period. All parties will have an opportunity to examine the material prior to the re-opening of the hearing but you are hereby advised that it is not open to you to make a further written submission to the Board on foot of this. Any comments you might wish to make on this information may only be made in the course of your submission at the re-opened oral hearing.

The period within which the material will be available for public examination will extend until the re-opening of the hearing. The date for the re-opening of the hearing will be notified to you. It is anticipated that the hearing will then run to a conclusion.

If you have any queries in relation to the matter please contact the undersigned officer of the Board.

Please quote the above mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Kieran Somers
