

Metro West

Tallaght East to Dardistown

Metro West will run along the centre of Belgard Road from Tallaght East towards Newlands Cross. Railway Procurement Agency (RPA) has identified the preferred design option for Metro West at the junction of Belgard Road and Embankment Road and in July 2009 RPA issued a letter to residents informing them of the design proposed.

To allow you to suggest how the design can be best integrated with the surrounding environment and to allow you to ask questions of relevant RPA staff, RPA will hold a public meeting in Belgard Heights Community Centre on the evening of Monday 1st of March.

METRO WEST SCHEMATIC

DATE: Monday 1st of March

TIME: 7pm - 9pm
